Shortline Railroad and Transload Services

WATERVILLE DIVISION
Freight and Passenger Operations

The innovative transportation solution that works for your business.

The Waterville Division is a new development, and can offer fresh opportunity for the customer. Midwest Rail provides car storage and transloading, while developing land along the rail corridor. Rail always has been and always will be America's best transportation solution.

SHIPPING BY RAIL CREATES SOLUTIONS

MORE EFFICIENT TRANSPORTATION
as fuel prices continue to climb, the economic advantages of shipping by rail increase.

LARGER BULK SHIPMENTS
Shipping by rail allows for easier, safer transportation of bulk commodities than by truck transportation.
